Upplandsbro gymnasiet

2016 - 2019

EXPERIENCE

FRONTEND DEVELOPER

2024 Oct - 2025 Mars

PLOTEYE, INTERNSHIP

Developed a website that connects speakers with events. Primary responsibilities included designing and building user-friendly components to enhance the overall user experience. Focused on creating intuitive and responsive UI elements to ensure seamless interaction.

WAREHOUSE WORKER

2023 Nov - Present

DAGAB

As a Production Assistant at Dagab, responsibilities include handling and organizing goods, ensuring efficient warehouse operations, and maintaining high standards of quality and safety. Tasks involve inventory management, order picking, packing, and collaborating with team members to streamline logistics and distribution processes.

RESOURCE TEACHER

2019- 2022

HUSBYGÅRDSSKOLAN, CSI

As a Special Education Assistant, responsibilities included supporting students in their social and academic development, maintaining communication with parents, and participating in parent-teacher meetings. Additional tasks involved coordinating transportation, organizing and leading activities for approximately 20 children, and ensuring a structured and inclusive learning environment.

HOTEL ASSISTANT

2018- 2019

STEAM HOTEL

As a hotel staff member, responsibilities included preparing and serving breakfast and lunch, ensuring high quality service and a welcoming atmosphere for guests. Duties involved setting up and maintaining the buffet, replenishing food and beverages, assisting guests with requests, and ensuring cleanliness and hygiene standards were met. Additionally, the role required collaboration with the kitchen and service team to provide an excellent dining experience.
